

## ॥ श्री महागणेशपञ्चरत्न स्तोत्रम् ॥ Mahaganesha Pancharatna Stotram

मुदाकरात्त मोदकं सदा विमुक्तिसाधकम् ।  
कलाधरावतंसकं विलासि लोकरक्षकम् ।  
अनायकैक नायकं विनाशितेभदैत्यकम् ।  
नताशुभाशुनाशकं नमामि तं विनायकम् ॥ १ ॥

*mudaa karaatthamodakam sadaa vimukti-saadhakam  
kalaa-dharaa-vatamsakam vilaasi lokarakshakam |  
anaayakaika naayakam vinaashite-bhadaityakam  
nataashu-bhaashu-naashakam namaami tam vinaayakam || 1 ||*

O Lord, Who has modakas in his hand and always bestows salvation or liberation from the material world. He wears a part of moon on his head and protects this world which is varied. He is the leader and cause of destruction of asuras or the forces of evil. Our prostrations to the one who destroys all things which are inauspicious.

नतेतरातिभीकरं नवोदितार्कभास्वरम् ।  
नमत्सुरारि निर्जरं नताधिकापदुद्धरम् ।  
सुरेश्वरं निधीश्वरं गजेश्वरं गणेश्वरम् ।  
महेश्वरं तमाश्रये परात्परं निरन्तरम् ॥ २ ॥

*natetaraati-bheekaram navoditaarka-bhaasvaram  
namatsurari-nirjaram nataadhikaapa-duddharam |  
sureshvaram nidheeshvaram gajeshvaram ganeshvaram  
maheshvaram tamaashraye paraatparam nirantaram || 2 ||*

I constantly pray to the Supreme Lord who terrifies those who are not submissive (i.e. the evil beings who do not surrender to the Lord). The Lord is shining like the rising sun who is worshipped by both the good and evil beings (two aspects of creation). He is the Lord of the Gods, Lord of Wealth, Lord of Elephants and the Lord of the Shiva Ganas. He is the Supreme Lord, the greatest and the everlasting and transcendental one.

समस्त लोकशङ्करं निरस्तदैत्यकुञ्जरम्  
दरेतरोदरं वरं वरेभवक्त्रमक्षम् ।  
कृपाकरं क्षमाकरं मुदाकरं यशस्करं ।  
मनस्करं नमस्कृतां नमस्करोमि भास्वरम् ॥ ३ ॥

*samasta loka-shankaram nirastadaitya-kunjaram  
dare-taro-daram varam vare-bhavaktra-maksharam |  
krupaakaram kshamaakaram mudaakaram yashashkaram  
manaskaram namaskrutaam namaskaromi bhaasvaram || 3 ||*

I prostrate to the Lord who does good to the world which is His creation and removes all evils. He destroyed the demoniacal Elephant who was a demon who assumed the form of an elephant to challenge the Lord. The Lord is sought by all and has a large belly that encompasses the entire universe and has the face of a majestic elephant. He is an ocean of mercy and forgiveness and grants us (His devotees) bliss and glory. He makes the mind of devotees (who worship him with reverence) pure and he is the Supreme Effulgent Lord.

अकिञ्चनार्तिमार्जनं चिरन्तनोक्ति भाजनम् ।  
पुरारिपूर्वं नन्दनं सुरारि गर्वचर्वणम् ।  
प्रपञ्च नाशभीषणं धनञ्जयादि भूषणम् ।  
कपोलदानवारणं भजे पुराणवारणम् ॥ ४ ॥

*akinchanaarti-maarjanam chirantanokti-bhaajanam  
puraaripoorva-nandanam suraarigarva-charvanam |  
prapancha-naasha-bheeshanam dhananjayaadi-bhooshanam  
kapoladaana-vaaranam bhaje puraana-vaaranam || 4 ||*

I take refuge in the Lord who removes the afflictions of the poor. He is the elder son of Lord Shiva the destroyer of the demons. The Lord has the capability to destroy the universe and is the adornment of Arjuna (Dhananjaya) and the rest who have achieved success by His grace. The Lord's temples are covered with pouring water from the ancient sources.

नितान्तकान्तदन्तकान्ति-मन्तकान्तकात्मजम् ।  
अचिन्त्य-रूपमन्तहीन-मन्तरायकृन्तनम् ।

हृदन्तरे निरन्तरं वसन्तमेव योगिनाम् ।  
तमेकदन्तमेव तं विचिन्तयामि सन्ततम् ॥ ५ ॥

*nitaanta-kaanta-danta-kaanti-mantakaanta-kaatmajam  
achintya-roopa-mantaheena-mantaraaya-kruntanam |  
hrudantare nirantaram vasantameva yoginaam  
tamekadantameva tam vichintayaami santatam || 5 ||*

I always pray to the Supreme Lord who has a single tusk. He is the one possessed with enchanting looks and is lustrous who captivates the mind. He is the son of Shiva, the destroyer of Yama the God of death. His form is unimaginable and endless. He removes all impediments. He is all pervading and eternal and resides in the hearts of the yogis.

महागणेश पञ्चरत्नमादरेण योऽन्वहम् ।  
प्रजल्पति प्रभातके हृदि स्मरन् गणेश्वरम् ।  
अरोगतामदोषतां सुसाहितीं सुपुत्रताम् ।  
समाहितायु-रष्टभूतिमभ्युपैति सोऽचिरात् ॥ ६ ॥

*mahaaganesha pancharatna-maadarena yonvaham  
prajalpati prabhaatake hrudi smaran ganeshvaram |  
arogataama-doshataam susaahiteem suputrataam  
samaahitaayu-rashtabhooti-mabhyupaiti sochiraat || 6 ||*

The devotee who recites the Mahaganesha Pancharatna Stotra at dawn every day and who keeps Lord Ganesha in his heart with true devotion is freed from all physical illness. He is not subjected to any ailments or evil defects or sins. He secures wholesome learning, good progeny and leads a peaceful life and wins the eightfold super human powers before long.
